July 12 - August 9, 2008
Saturday, July 12, 6PM
540 W. 21st St.

This exhibition showcases the interactive projects resulting from an intensive two week program of workshops and seminars, Interactivos?@Eyebeam: Better than the real thing. All the works play with the idea of reality, disbelief and the illusions we experience in our technologically mediated lives.

The exhibition will take place at Eyebeam's gallery at 540 W 21st St, New York. Double Take is curated in collaboration with Sarah Cook, Eyebeam's visiting curatorial fellow.
