Cambridge, UK, 2007.
26-27 Apr 2007. As part of the CRUMB Bliss-out Centre at Enter_Unknown Territories new media art festival. The Bliss-out Centre was curated by Sarah Cook and included head massage, tea and cookies, and guest experts. Advice on curating new media art was offered, and people used the games to comment on the content of the Enter conference. Sample comments are below.

Read more articles about consensus decision making or you'll always be voted down.
Martyr yourself immediately. No-one will notice but it may offer some small consolation.
Stop looking at your inbox, and pick up the phone instead.
