PRINT OUT

Recently while working on a project in Hartford, CT I took a taxi and met Steve the taxi driver. I was headed to Real Art Ways the art center where I'm doing the project. Steve asked me where I was going and then concluded that I must be an artist. He told me that I should sculpt a bust of him. He gave me a picture of himself and told me he wanted it done that day, and then we would "party" that night.
