Welcome to NODE.London's media art network.

In **Spring 2008**, NODE.London is calling a seasonal gathering of media art, showing how London is budding with fresh exhibitions, discussions, musical events and participatory projects.

This website will soon be filling with an ongoing programme from Spring 2008. Until then, you can browse the archive of the first NODE.London season of media arts in March 2006.

node.london spring '08

NODE.London is open to any person or group who wants to help spread media art and related activity around London and beyond! If you would like to get involved, please check the NODE.London wiki and come to one of our regular meetings and introduce yourself.

project pick - Brentford Biopsy by Christian Nold

Media Mutandis: The NODE.London Reader
edited by *Marina Vishmidt*, with *Mary Anne Francis*, *Jo Walsh* and *Lewis Sykes*
This publication projects a critical context around the Season of Media Arts in London March 2006 and provides another discursive dimension to the events of October 2005's Open Season. Published 8 March 06.
